

CME-CPD Accreditation

Accreditation Statement and Credit Designation

European Accreditation Council for Continuing Medical Education (UEMS/EACCME)

The 32nd Annual Meeting of the European Society of Paediatric and Neonatal Intensive Care is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS): www.uems.eu

The 32nd Annual Meeting of the European Society of Paediatric and Neonatal Intensive Care is designated for a maximum of, or up to, **24** European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

American Medical Association (AMA)

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of *AMA PRA Category 1 Credits™*. Information on the process to convert EACCME credit to AMA credit can be found at <https://www.ama-assn.org/education/ama-pra-credit-system/agreement-european-union-medical-specialties-uems>

Royal College of Physicians and Surgeons of Canada

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada. For more information, visit:

www.royalcollege.ca/rcsite/cpd/providers/international-accreditation-agreements-e

Credit Breakdown

Each participant should claim only those hours of credit that he/she actually spent in the educational activity.

Day	Maximum Credits
20.06.2023	7
21.06.2023	7
22.06.2023	7
23.06.2023	3
Total Credits:	24

Educational Objectives

After attending this event, participants should be able to:

- Address individual needs in compliance with their Continuous Professional Development (CPD) plan.
- Describe the latest developments in paediatric and neonatal intensive care.
- Indicate the latest developments in neurocritical care.

- Discuss the current research projects within ESPNIC and enhance opportunities for future collaboration between groups of young researchers.
- Identify the latest research approaches in the study of paediatric and neonatal intensive care.
- Exchange ideas and knowledge to promote multidisciplinary collaboration among doctors, nurses, and other allied healthcare professionals in the field of paediatric intensive care.
- Discuss the development of new treatments and technologies in paediatric and neonatal intensive care.

Target Audience

ESPNIC 2023 is a global meeting place for clinical practitioners, nurses/healthcare practitioners, and research fellows interested in the field of paediatric intensive care. Because of the diverse, clinically focused educational offering, participants are able to tailor the curriculum to meet the needs of international clinicians of all levels of experience.

To Receive Your CME/CPD Certificate

The CME/CPD certificate will be available after completing the online evaluation and credit-claiming procedure. The process takes about 5 minutes. We thank you for your feedback as it is an important part of CME/CPD accreditation and helps improve future educational offerings.

Before 23.07.2023:

Access the online system via the following [link](#):

- *Please note that web browsers Mozilla Firefox 2.X or higher, or Google Chrome are recommended*

- Complete the anonymous online evaluation
- Complete the credit claim form and submit
- The CME/CPD certificate will be available for download; retain for your personal records

Kindly note that the ESPNIC 2023 online evaluation will be active on the last day of the meeting. You will then be able to access it and claim your CME/CPD certificate.

Disclosure and Resolution of Personal Conflicts of Interest

In accordance with CME/CPD accreditation criteria and standards for commercial support to ensure balance, independence, objectivity, and scientific rigor, those in control of the educational content must disclose potential or actual conflicts of interest. Disclosure information is evaluated and conflicts of interest are resolved. Disclosure is made to participants prior to the activity. Participants will be asked on the evaluation to assess the objectivity and independence of the event.

- Disclosure information is available [here](#).

Industry Support Disclosure

This event is supported, in part, by funding from industry. All support is managed in strict accordance with CME/CPD accreditation criteria and standards for commercial support. Appropriate acknowledgment of all supporting organizations is made in the program guide, on the event website, and with signage during the event.

- View a list of all industry supporters [here](#).
- View detailed programmes for all Industry Sessions [here](#).

Commitment to the Highest Standards in CME/CPD

Kenes is committed to being a valuable and knowledgeable partner in the design and delivery of educationally strong, independent, transparent, and effective CME/CPD programmes. Kenes is a proud member of the [Good CME Practice Group \(gCMEp\)](#), a member organisation contributing to improving health outcomes by:

- Championing best practices in CME/CPD
- Maintaining and improving standards
- Mentoring and educating
- Working in collaboration with critical stakeholders

Membership in the Good CME Practice Group illustrates Kenes commitment to high standards and knowledgeable partnership with its clients in the design and delivery of medical events.
